EDUCATION

LITTLE OXFORD MATRIC
HIGHER SECONDARY
SCHOOL
2019- 2020

VIGNESWARA VIDYALAYA
MATRICULATION HIGHER
SECONDARY SCHOOL
2020 - 2023

SRI RAMAKRISHNA COLLAGE
ART & SCIENCE
2023 - 2026

EXPERTISE

- PYTHON
- C
- EXCLE
- JAVA SCRIPT
- JAVA

SOFT SKILLS

- Strategic Planning
- Communication
- Leadership
- Problem solving

ABOUT ME

I am a third-year B.Sc. Computer Science student at Sri Ramakrishna College of Arts and Science with a strong foundation in Python programming and a passion for solving real-world problems through code. I have experience in building small-scale projects and working with concepts such as object-oriented programming, data structures, and APIs. In addition to my technical skills, I possess strong leadership qualities, demonstrated through active participation in team projects and college events. I am eager to learn, lead, and contribute to innovative software or data-driven solutions while continuously growing as a professional.

WORK EXPERIENCE

INGOUDE COMPANY

MAY-2024

- Completed a beginner-level internship focused on core Python programming.
- Built small applications such as calculator, student record system, and number guessing game.
- Practiced using basic Python libraries, functions, loops, conditions, and file handling.
- Gained understanding of problem-solving and logic building using Python.

GATEWAY SOLUTION

MAY-2025

- Gained hands-on experience working with basic Internet of Things (IoT) components and microcontrollers.
- Worked with sensors including Ultrasonic Sensor, Humidity Sensor, and Liquid Level Sensor.
- Built basic circuits and programmed microcontrollers using Arduino and Raspberry Pi platforms.
- Learned to collect sensor data, control outputs (LEDs, buzzers), and understand real-time data communication in embedded systems.
- Developed teamwork and problem-solving skills by working in small project groups.
